Sir:

This responds to the Office Action mailed November 19, 2002, (the time for response having been extended to and including May 19, 2003), and further responds to the PTO's Response to Amendment mailed June 17, 2003. That June 17th PTO Response set a time period of one month, or until July 17, 2003, to submit this amendment in compliance with 37 C.F.R. 1.121. The original amendment extended the response time to May 19, 2003, and the extension fees were duly paid. This Response is being filed within the PTO-set one month period, so no further extension request or extension fees are believed necessary. If the Examiner calculates otherwise, he is respectfully requested to treat this document as including a request for extension of time sufficient to make this filing timely. Please charge any fees for such request to our Deposit Account No. 50-1794
